

桶川市都市計画基本図 其 4

This is a detailed topographic map of a residential area in Japan. The map shows a dense network of streets and buildings, with elevation contours indicating the terrain. Key locations labeled include '坂田' (Sakata), '桶川市' (Tsubokawa City), and '加納' (Kano). The map also features a grid of elevation points and a scale bar.

The map is oriented with North at the top. The scale bar indicates a distance of 100 meters. The map includes a grid of elevation points, with values ranging from 10.0 to 20.0 meters above sea level. The map also shows various landmarks, including a river, a park, and a school.

The map is a detailed representation of the area, showing the layout of the streets and buildings, as well as the natural features of the landscape. It is a valuable tool for understanding the geography of the area and for planning future development.
